ROUTINE NOTES.

[To be used only for notes, requisitions, etc., not intended for permanent record]

1. The question of giving wider publicity to Appointment of Vacancies by the C.R.B formed one of the subjects of discussion at the meeting of the Board held on 11.8.28 & an extract from the Proceedings of the meeting on the subject is put up below:—

Subject No. 10.—

2. The question of giving wider publicity to the vacancies that are reported and advertised in the Mysore Gazette was discussed by the Board. The Board thought that their publication in the Mysore Gazette alone was not sufficient advertisement and that as many candidates who are in search of employment do not know the existence of vacancies, it is desirable that these vacancies should be published in some of the ~~xxxxxxxxx~~ newspapers which are generally read in all parts of the State. It was resolved that the Revenue Commissioner and Chairman of the Sub-Committee be requested to investigate the question and send up proposals in regard to the measures to be adopted for the purpose for consideration at the next meeting of the Board.

3. A draft to the Chairman of the Sub Committee asking for the proposals is sent for approval.

ROUTINE NOTES.

[To be used only for notes, requisitions, etc., not intended for permanent record.]

To The Rev. Convener & Chairman of the Sub-Committee

Letter no. 2445 of 31.8.28 calls for final proposals ~~to~~ with ~~to~~ the Secretariat of the C.R.B.

~~This bill now be sent to the Political Office~~

With Compliments
Forwarded to the Political Officer for favour of opinion in the matter referred to in the Secretariat of the C.R.B. with information as to the probable expenditure ~~as~~ that may have to be incurred for the purpose.

Under existing orders, space is reserved by Government in the following local papers:-

Vrittanta Patr:	"	(Weekly)	½ Col.
Vokkaligara Patr:	"	"	½ Col.

Satyavadi	"	"	½ Col.
Mysore Star	"	"	1 Col.
Saraswati	"	(Fortnightly)	½ Page.
Alkalam	Urdu	(Weekly)	½ Col.

9) The total cost of reservation of space is Rs. 1,846/- per annum. Granting that the above space is sufficient and is exclusively utilized by the Central Recruitment Board, the entire cost will have to be borne by - t h e Board. But apparently this space is not ~~sufficient~~ sufficient and any extra space taken up will have to be separately paid for. The total cost would be enormous. It is not possible to say even roughly what that cost would be as it is dependent on t h e space that might be taken up.

10) At present, the benefit of the reserved space is enjoyed by all the advertising departments. If this benefit should be denied to them hereafter, the expenditure on advertisements will necessarily rise.

With reference to para 7.

This was good as the Q^n of
which does not yet arise.

The point on which opinion
is called is Whether it would be useful to
publish Vacancies in some of the new

in mind that such publication is
required will give greater publicity to Vacancies
than at present. The Volkskeuran

It seems sufficient if the list of vacancies is published twice a week in the dailies (on Wednesdays and Saturdays) and once a week in the weeklies. It is presumed that all the vacancies now appearing in the Gazette are not meant to be published in the newspapers but only selected ones such as those on Rs.25 and above.

As regards the cost, under the existing arrange-ment, the Daily Post charges Rs.750 for half-column or Rs.1,500 for a full column. This roughly works out at Rs.5 per insertion or Rs 10 per week, or about Rs.480 per annum. The other local dailies (The Bangalore Times, and Chitragupta) being much smaller in size and having been treated somewhat generously in the matter of advertisement rates, they may be asked if they would reserve one column - double space - for two days a week at the ~~same~~ rate ~~viz.~~, Rs 400. The total annual cost on account of this arrangement would be Rs ~~500~~ 800.

In regard to the weeklies, the marginally noted papers may be offered Rs.200 each for one column double space. The total annual cost would be Rs 600.

The Kurubara Patrike
" Vokkaligara Patrike
" Mysore Star.

The Vrithanta Patrike which has a much larger circulation may not agree to this rate and may perhaps be offered the same rate as is proposed for the dailies, viz., Rs 400.

Even if the amount proposed by above might look small, there is the additional advantage

Dear Sir,

Confd

I am directed to state that the question of giving wider publicity to the various vacancies that are to be published by the Central Recruitment Board week by week has been under the consideration of Government for some time. The Recruitment Board consider that the publication of these lists not only in the Gazette but also in the various newspapers published in the State is likely to reach a larger number of people and to secure a larger number of applications than at present.

The Board trust that you will be willing to co-operate with the Government in this matter by giving publication to advertisements regarding vacancies either without levying any charge or levying but a nominal charge. In this view they have recommended that Government may be pleased to sanction an honorarium of Rs.50/- per annum for 'Weeklies' for the publication of these lists. ~~The Vokkaligara Patrike and the Kurubara Patrike are agreeable to this and it is hoped you will also agree.~~ It is hoped you will be agreeable to this proposal.

Dear Sir,

In reply to your letter 1406-71 PO of 23rd inst we regret that we cannot see our way to publish Advertisements regarding vacancies free of charge

We are sorry also that the sum mentioned as an honorarium is not sufficient for us to make the proposition pay, and it is not therefore possible for us to accept the terms.

On the other hand a half column space is booked by Government and a special arrangement made for any extra space that may be wanted to be available at the rate of Re.0-13-9 per single column inch. We shall be pleased to insert the lists at this rate.

No. 69-77 C.R.B. 1-29-1 D 3-7

Order :-- ~~No 69-77 dtd.~~ 473

The question of giving wider publicity to the vacancies of appointments arising in various departments has been urged on the attention of Government for some time past and it has been represented that the publication of such vacancies in the official Gazette does not very often reach a large number of candidates residing in the interior parts of the State where copies of the Gazette may not be available for reference.

The C.R.B. to whom the question was referred for consideration suggested at first that the object in view ~~would be well~~ might be served if copies of notifications of vacancies are sent to the Secretaries of recognised Associations having the privilege of returning members to the Representative Assembly. As this did not work well in practice, they have on further consideration suggested that it would be desirable to have the vacancies advertised also in some of the English and Vernacular newspapers in the State.

Agreeing with the Board in this view, Government consider it desirable to have the vacancies published twice a week in some of the daily newspapers and once a week in some of the weeklies. They are

accordingly pleased to direct that all vacancies that are now published in the Mysore Gazette every week should also be sent to the marginally noted newspapers for publication, an honorarium at the rate noted being paid to each of the newspapers.

While sending copies of notifications relating to vacancies for publication in the Gazette, the Secretary to the C.R.B. will simultaneously send copies of such notifications to the newspapers concerned for publication.
